

PTN SERIES

MEDIUM DUTY RAIL GATE

1,250 lb. and 1,600 lb. Capacities

**The Strongest, Most Durable
Liftgate for Transporting Bulky,
Top-Heavy Loads.**

Products shown may feature optional equipment.
Content subject to change without notice.

Optional Aluminum Platform Shown

STANDARD PTN SERIES ADVANTAGES INCLUDE:

- Applications - pickup trucks and cargo vans
- Gate is level with truck side panels (photo)
- Safer: – level-ride, greater load stability
– fewer pinch points
– anti-skid steel treadplate platform
- Exclusive above floor lift option with a maximum above floor travel of 9"
- Chain and sprocket drive ensures smooth operation and eliminates costly cable replacement
- Platform side chains eliminated – user has unimpeded side access
- Existing receiver style hitch won't impede installation - most models
- UHMW - slide pads on runners

OTHER STANDARD FEATURES:

- Power unit installed, tested and enclosed in weather protected housing
- Torsion bar assisted platform makes it easier to open and close
- Pressure compensated flow control valve controls platform descent regardless of load weight
- Built-in toe deflector
- Weather sealed controls
- Charge line circuit protection
- Meets TMC specifications
- Powder coat finish on key liftgate components produces a high-quality finish that is exceptionally resistant to corrosion and abrasion

**Exclusive above floor lift option will reach
most dock heights**

**PTN Series Gate in stowed position with
the optional aluminum platform**

PTN SERIES

MEDIUM DUTY RAIL GATE
