**RANGER**  
DESIGN

In 1988 a small family business with a passion for innovation and speed of service began to build equipment for commercial vehicles. Now with factories in Rochester, NY and Montreal Canada, and a strong network of dealers across North America, the same passion still drives the company today.

In our modern fast-paced world, Ranger combines old-fashioned service with state of the art technology to bring you consistent quality and strength to meet the toughest demands. This is why more Tradesmen and Fleets across the nation are turning to Ranger solutions for shelving units, storage systems, partitions and ladder racks to answer their unique needs. Contact us today and experience the Ranger difference yourself!
